

# FESTOOL®

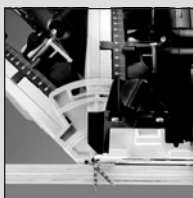

## 3-Year Guarantee

Our tools are built to last through years of constant use and are backed by the industry's strongest guarantee.

## Ergonomics

Designed to conform to the human hand and the way it moves, allowing precise guidance and continuous untiring work.

## Specialization

Festool power tools are designed with the specific needs of the tradesman in mind and meet exacting professional requirements.

## System Design

We offer integrated tool systems with all the appropriate components. Everything fits together, for better results with less effort.
